

WARNING

Lake Tishomingo is a private community, and any car, boat, trailer, atv, etc. that does not have a Lake Tishomingo sticker is considered to be trespassing on our property. Your vehicle information, as recorded below, has been filed with the LTPOA Board of Directors, and if this vehicle is found again without the proper sticker, you will be prosecuted.

If you are a property owner, save yourself any future problems by acquiring and placing your stickers now. For information on stickers, check your newsletters, or go to www.laketishomingo.com to apply.

If you are not a property owner, **GET OUT AND STAY OUT.** You will be prosecuted for trespassing the next time you are caught. There will be no second warning.

If you are here as a guest of a property owner, that property owner must be with you, or you will be treated as a trespasser. You cannot use our lake or other property just because you know someone who owns property here.
