LTIA Notes

Upcoming Events:

- Wednesday, November 2, and **every Wednesday evening**, 6:30-8:30 pm. Adult Game Night. *See flyer in this issue for details.*
- Saturday, November 5. Fall Festival. *See flyer in this issue for details.*
- Sunday, November 13, 5:30 pm. LTIA Dinner Meeting. Turkey Dinner! LTIA will provided turkey. Bring your favorite side or dessert to share.
- Saturday, December 10, 5:30 pm. LTIA Dinner Meeting. Chili Cook-Off.

Interest Survey. What social events, community improvements, and volunteering projects are you interested in? Let us know! Please complete the LTIA Interest Survey, online at <https://forms.gle/2gUCSZwqNriEZu2g6>. It should take only about five minutes to complete.

**

LTPOA News

Steve Blaha, LTPOA President

Well, the calendar may say it's fall, but the last couple of weeks have been a roller coaster with record lows in some areas one week and summer-like temps the next. But one thing is for sure, all these pretty leaves on the trees will fall to the ground, clogging your driveway culverts and filling the ditches. Please help keep our roads in good condition by keeping these leaves out of the ditches and culverts so that the rain water can make its way freely to our lake.

The Tishomingo Anglers as well as other concerned lot owners met October 22nd to discuss lake management, fish stocking and future fishing events. Their recommendations will be forthcoming.

LTPOA News continues from previous column

Speaking of the lake, what a great job Aquatic Control did to eliminate our southern naiad and pond weed infestation. Our grass carp should be ready this spring to help out as well.

Please don't forget about the Restriction Renewal process. It's still going on, and we need your notarized paperwork. If you can't find your copy of the Restrictions packet, please contact Jon Riche at 314-604-8994. Jon will send you a copy.

I would like to thank all those who have made both big and small improvements to their property this spring/summer/fall. You all keep making Lake Tish better and better!

Don't forget the Fall Festival November 5. I hope to see you all there. Remember you don't have to be an LTIA member to join in on the FUN.

**

LTIA Membership

Yes, here is my membership to LTIA. This will help to support the Lake Tishomingo Improvement Association projects and maintain the Community House. Membership includes free classified ads in the *Tishomingo News* and attendance at LTIA dinners. Please enclose your check for \$40 payable to "LTIA" and send to: LTIA Treasurer / 5698 Lake Tishomingo Rd / Hillsboro, MO 63050.

Sewer District News

Adapted from an item in This Week at Lake Tish by Janet Hirsch

Volunteers for the sewer district will be visiting every residence to clean the control panel surface and apply the sticker shown below. They will only be working with the control panel and will not interrupt sewer service or otherwise disturb residents.

The sewer board is committed to maintaining the sewer system in top working order for all residents. There have been several sewerage backups recently because of unreported alarms. These stickers are reminders to report any issues before they get worse.

The sewer board thanks these volunteers who are giving of their time to help the community.

Lakeside Gardeners continues from previous column

If you cannot make it and you want to know about how to remove this invasive plant, please go online to the Lakeside Gardeners page on the Lake Tish website:
<http://www.laketishomingo.com/lakeside/gardeners.html>.

A Timely Reminder

It is that time of year again and the leaves are falling all around us.

Remember: Under no circumstances should leaves be raked or blown into the lake! Leaves decomposing in the lake can fuel the growth of algae and they use up oxygen that is needed by native plant and animal inhabitants. Low oxygen can even kill fish!

ATTENTION!

Silence alarm by pressing red button
and IMMEDIATELY:

1. Restrict water usage to prevent sewage backup in the house
2. Report alarm to WRM
636-257-3976 Mon - Fri 8 am – 4 pm
888-970-1382 after hours/weekends

Lack of follow through could cause
sewage backup into your home.

PWSD#13 is an equal opportunity provider.

Lakeside Gardeners

Rena Rockwell

Invasive Bush Honeysuckle

As you may have read in our past Lakeside Gardeners columns in this newsletter, we are trying to manage the invasive plant species that are negatively impacting our community. One of these plants is the invasive Bush Honeysuckle, which is overcoming our precious roadways, pathways, uninhabited lots, and the land that surrounds our entrance roadway.

Late fall and winter are the ideal time to remove this plant permanently. Are you willing to volunteer an hour or two on a Saturday morning? We would be thrilled for you to join us on the second Saturday of each month, starting in November. Currently scheduled dates are 11/19 and 12/17. Weather permitting, meet us at the flagpole at 9:30 a.m. with gloves, a tarp, and a rake or some loppers. This activity is great for all ages.

Cooking Corner

Carol Kohnen

A Blast from the Past

I copied this recipe for 7-Layer Cookies from my mother's recipe box to start my own recipe collection when I got married. I have modified the recipe a bit over the years but I still bake these every Christmas!

7-Layer Cookies

Preheat oven to 350°. Spread in a 9x13" pan in the order given:

- 1 stick melted butter (can melt in pre-heating oven)
- 1 cup graham cracker crumbs (mix with melted butter and press into bottom of pan for crust)
- 1 cup (6 oz pkg) chocolate chips
- 1 cup (6 oz pkg) butterscotch chips
- 1 cup flaked coconut
- 1 can (Eagle Brand) sweetened condensed milk
- 1.5 cups chopped pecans

Bake 25-30 minutes. Cool. Cut into squares.

This is probably the original recipe:

<https://www.eaglebrand.com/recipe/seven-layer-magic-cookie-bars/>.

LTPOA Meeting Minutes

Lake Tishomingo Property Owners Association

LTPOA Minutes August 9, 2022

Board Members present: Steve Blaha, Mark Stubits, Ken Stojeba, Shelby Reneski, Doug Leeker, Craig Jung.

10 residents attended.

Steve called the meeting to order at 7:00 pm.

Pledge of Allegiance

President's Report

Steve asked for permission to dispense reading of the July 2022 minutes.

Ken made motion to approve.

Shelby seconded.

Motion approved.

Steve welcomed guest Chief Brown from the Mapaville Fire Protection District. Mapaville Fire District interacts with the Goldman Fire District which protects the Lake Tishomingo properties. Chief Brown indicated the department just obtained new ice and water rescue equipment and made a request to utilize the beach area of the lake to conduct corresponding training for members of the Mapaville, Hillsboro and Goldman districts.

continues in next column

LTPOA August/President's Report continues from previous column

Steve asked for motion to allow the Fire Districts to utilize the beach area for training.

Ken seconded.

Motion approved.

Treasurer's Report

Shelby read the financial report for July 2022.

Cash Inflow for July

2020/2021 assessment	\$30.00
2022/2023 assessments	\$63,211.24
Gate cards	\$20.00
Pontoon rental	\$20.00
Interest	\$25.03
Total Cash Inflow for July	\$63,306.27

July Bills Paid

A Printing- For orange File up-date sheets.	\$21.67
Steve Blaha- assessment invoice stamps	\$232.00
LTIA- for well pump for community center	\$4,659.90
Janet Hirsch- assessment envelopes & rechargeable battery	\$90.12
Charter	\$79.99
Ameren	\$112.71
A & S Protection- 124 hours	\$4,216.00
Rottler Pest Solutions- annual pest control	\$276.00
Happy Grass- tree removal, beach cleanup, mowing & 4 benches	\$2,185.21
Joe Baumann- notary	\$170.00
Jeffco Survey- down payment (1/2) on survey	\$600.00
Total	\$12,643.60

Total Cash Outflow for July **\$12,643.60**

Checking Account Balance for July **\$311,921.67**

Major Projects Fund 6/30/2022 **\$164,267.33**

Interest \$20.93

Major Projects Fund 7/31/2022 **\$164,288.26**

Steve asked for motion to approve Treasurer's Report.

Doug made a motion to approve.

Ken seconded.

Motion approved.

August Bills To Pay

Charter	\$79.99
Ameren	\$122.50
A & S Protection- 174 hours	\$5,916.00
Steve Kottemann- work on guard shack	\$2,775.00
Gateway Lake Management- lake management & testing	\$1,600.00
Wegmann Legal- legal work	\$742.00
Happy Grass- mowing gate to 4 way, common and interior roads	\$1,050.00
Happy Grass-weed removal and rock work	\$1,350.00
CEG Paving- road work	\$25,880.00
Total	\$39,515.49

Approval to pay August Bills:

- Ken made a motion to approve.
- Doug seconded.
- Motion approved.

Building

- Electronic approval complete on project for Chris and Ericka Richards – 6431 S. Lakeshore Dr – new landscaping and retaining walls.
- Daniel Timmersman – N18-N19 – 5840 N. Lakeshore Dr - New garage to be built on an existing foundation - pending architectural and Jefferson County approval.

Steve asked for motion to allow construction of the new garage once obtain architectural and Jefferson County approval.

- Mark seconded.
- Motion approved.

Security

- Ken is researching the incident where the FedEx truck knocked down the gate. The FedEx driver was also verbally abusive to a resident when confronted about the damage. This FedEx route has changed hands since the incident and Ken has been working to track down the current owner to establish who was driving the truck at the time of the incident. There was no true damage to the gate, however, the driver should be reprimanded for his conduct. Resolution of this issue is still in progress. Waiting on further information from FedEx.

Gate

Access Code use July 2022		
Code assigned to	Monthly Usage	Avg daily
Dierzbicki, Dan	138	4.5
Droege, Ken	119	3.8
Richars, Erica	119	3.8
Marschuetz Jr, Ken	96	3.1
Stubits, M	84	2.7
Reed, Nathan	76	2.5

continues in next column

LTPOA August/Gate Report continues from previous column

The most used entry code in July 2022 was issued to D Dierzbicki. The code was used an average of 4.5 times per day in July. This was mostly weekend use & is probably for parties. Second and third most used entry codes (3.8 times per day) were issued to Ken Droege Jr and E. Richars. Both were likely due to parties also. Mr Droege also has a long lasting building project.

Gate Arm Break by FedEx truck

The gate arm was knocked off its mount on Thursday (7-28) at 16:17:04 by a FedEx “RAM” van tailgating thru the gate. Plate is: B37 PHD (Garden State). A property owner said his son witnessed the event and when the driver was confronted, the FedEx driver cussed him out.

Amazon’s “Key for Business”

Amazon Key for Business was installed on July 7. The system is based on cell phone service & grants the delivery driver temporary access & opens the gate. We do not know if Amazon drivers are using this service. One driver we quizzed still relied on impatient drivers behind him to open the gate for him.

MyQ Website

LTPOA Board members and gate committee members now have access to the CAPXLV gate entry system through the MyQ website. This means they can view gate activity and videos of people trying to enter the subdivision.

Maintenance

- The rock beneath the fence along the entrance looks very nice!
- There is an outstanding recall on the truck that will be addressed.
- Still waiting on delivery of the new patrol boat – further updates to come.
- Weed Control on the Lake - Aquatic Solutions coming tomorrow or Friday to decide if any further treatments are needed. We are not seeing any further vegetation growth so we are speculating we will probably have another light treatment of copper sulphate to continue to clear up the murky water due to the planktonic algae bloom.
- Water testing – the Mizzou team has been taking samples – no results available yet.
- Yellow lines will be added to the lake road in the areas around the turns. A date has not been set for this work yet.

LTIA

- Boat Poker Run – Saturday August 27th – Kim will find workers to sell extra cards at the event.
- Meetings will start up again on September 11th and will be held on Sundays.
- Fall Festival – Nov 5th – including Live Music.
- Remodel of kitchen area at the Community House
 - Working on getting estimates to remodel cabinets and miscellaneous painting.
 - Need to put together a timeline and priority list.
 - Reviewing possibility of raising rental rates.

continues on next page

LTPOA August continues from previous page

Finance

No new updates.

Sewer Board

No new updates.

Dam

No new updates.

Old Business

- Shea boat dock project – Owners indicated they would stake out where the boat dock would be moved in order to resolve the issue. They have not done this yet. Doug will contact them again to get an update and get a dock application filled out. Ken will take over pursuing with the owners while Doug is out on vacation for 2 months.
- Lake Restriction Renewal – We are getting close to the required approval percentage! Please spread the word if you know anyone who has not signed yet to get their documents turned in. Deadline for approval is July 2023.
- Update on M-N cove (M42-M46) issue regarding restoration of community property: Matt Holloran has completed excavation of reconstruction and the property will be seeded and strawed. Jon and Mark will inspect the results.

New Business

- There is a long-standing question regarding ownership of dock A07. Thomas and Beverly Grimm have recently purchased the property previously owned by the Jost family which includes lot A07. They have been notified by another Tishomingo resident that dock A07 had been sold years ago to another property owner. Research of the records shows that dock A07 has always belonged to the Jost family. There is no record of this dock ever being sold. Also, Ken Jost has maintained dock A07 for years. To document: Lot A07 is the owner of dock A07, in this case the Grimm family.
- A resident is parking his boat at dock F37 which he does not own. He is also telling the actual owner of dock F37 that this dock is a community dock where anyone can park. There are no community docks on the lake.
 - Ken will write a letter to the resident that is parking his boat at the incorrect dock asking him to discontinue this practice.
 - Ken will send a letter to the actual owners of dock F37 to indicate they are sole owners of dock F37.
- James and Carolyn Conduct Jr. – H17 – The H17 dock has been restored but a permit has not been submitted for the work done. A letter will be sent to request submission of a permit for the dock restoration.
- Thomas and Beverly Grimm – 6770 S. Lakeshore Dr. – The Contractor stored rock on South Lakeshore Drive in order to support work being done for the Grimm property. The location of the rock minimized

continues in next column

LTPOA August/New Business continues from previous column driver access to one side of the road. The road was then damaged due to cars driving around the rock. The damaged area was a 2ft by 30ft section of road. The property owners were charged \$1,200 for the road repair. The property owners are asking for partial compensation from the board due to the fact that there was pre-existing damage to the road prior to start of the Grimm property project.

Mark made a motion to pay Thomas and Beverly Grimm \$200 towards the road repair due to pre-existing conditions.

Shelby seconded.

Motion approved.

Steve asked for a Motion to adjourn the meeting.

Ken made a motion to adjourn.

Jon seconded.

Motion passed.

*
**

LTPOA Minutes September 13, 2022

Board Members present: Steve Blaha, Mark Stubits, Ken Stojeba, Shelby Reneski, Jon Riche.

13 residents attended.

Steve called the meeting to order at 7:02 pm.

Pledge of Allegiance.

President's Report

Steve thanked everyone who has promptly paid their assessments.

Steve asked for permission to dispense reading of the August 2022 minutes.

Mark made motion to approve.

Ken seconded.

Motion approved.

Treasurer's Report

Shelby read the financial report for August 2022.

Cash Inflow for August

2022/2023 assessments	\$92,313.34
Grimms road repair	\$1,000.00
Gate cards	\$50.00
Interest	\$54.16
Total Cash Inflow for August	\$93,417.50

August Bills Paid

Charter	\$79.99
Ameren	\$122.50
A & S Protection- 174 hours	\$5,916.00
Steve Kottemann- work on guard shack	\$2,775.00
Gateway Lake Management- lake management & testing	\$1,600.00
Wegmann Legal- legal work	\$742.00

continues on next page

LTPOA September/Treasurer's Report continues from previous page

Happy Grass- mowing gate to 4 way, common and interior roads	\$1,050.00
Happy Grass-weed removal and rock work	\$1,350.00
CEG Paving- road work	\$25,880.00
Total	\$39,515.49

Checking Account Balance for August \$365,823.68

Major Projects Fund 7/31/2022 \$164,288.26
Interest \$24.76

Major Projects Fund 8/31/2022 \$164,313.02

Steve asked for motion to approve the Treasurer's Report.
Jon made motion to approve.
Ken seconded.
Motion approved.

September Bills To Pay

Charter	\$79.99
Ameren	\$121.11
A & S Protection- 124 hours	\$4,216.00
Wegman Law- Legal work	\$788.25
Travelers Insurance- Workers Comp insurance	\$916.00
Eberlin Boats & Motors- new security boat	\$18,961.00

Colburn Consulting- 6 months web hosting	\$59.70
Red Oak Landscaping- mowing 7/1 and 7/28	\$2,640.00
Parking Lot Picassos- center line stripes on the bends	\$2,100.00
Happy Grass- mowing gate - 4way, common ground & interior RDs	\$1,250.00
Jeffco Surveying- final payment on survey	\$600.00
Jim Timmersman- repairs to Parkway	\$300.00
Total	\$32,227.05

Approval to pay September bills:
Ken made motion to approve.
Mark seconded.
Motion approved.

Building

- Reminder: To obtain approval from the board for work you are planning on your home or lake front, you will need to submit a building application. Go to the Lake Tishomingo website (www.LakeTishomingo.com), Forms and Applications.

continues in next column

LTPOA September/Building Report continues from previous column

- Fill out the appropriate building application and include specifications and/or drawings to support the request. Then submit to the Board. Board Member emails and phone numbers are also available on the website. Note that approval from the board may also be pending approval from Jefferson County depending upon the nature of the work being done.
- Dale McKinnon made a request to construct a 48-inch-high fence on his property. The Lake Tishomingo Restrictions state that a fence cannot be taller than 42 inches, therefore the request was denied.

Security

- The Green City Disposal truck knocked the gate down. Mark talked to the president of the company who apologized and indicated he would take care of any cost related to the repair. Rich Hirsch was satisfied with the apology and volunteered his time to fix the gate at a very minimal cost.
- Aaron gave a status update on the court case regarding the drunk driver who knocked down the gate last year and then attacked a Tishomingo guard (Eddie).
 - The accused was found guilty of property damage and DWI. He has been ordered to pay Lake Tishomingo \$500 in restitution for property damage plus is serving 5 years in jail for the DWI which is his fifth offense.
 - The assault charge has been dropped.
- Security will be present at the lake until October 1st and then resume in the spring.

Gate

On Sunday prior to this meeting Aaron indicated the outgoing gate went up and stayed up for two cars to pass through.

Access Code use August 2022		
Code assigned to	Monthly Usage	Avg daily
Reed3, Nathan	146	4.7
Stubits3, M	127	4.1
MarschuetzJr5, Ken	80	2.6
Droege, Ken	78	2.5
HOLLARAN111221, M	58	1.9
MASEK,	57	1.8

The most used entry code in August 2022 was issued to N. Reed. The code was used an average of 4.7 times per day in August. We will contact B Reed by email to see if this high usage can be explained. Second most used entry code (4.1 times per day) was issued to M Stubits.

New Gate.

Overall, the CAPXLV Tele Entry System is working well, but there are a few problems:

- When someone uses a remote transmitter to open the gate, there is usually no video recorded. This may be due to the vehicle not lingering long enough to trigger a motion recording. We may have to live with this behavior.

continues on next page

LTPOA September/Gate Report continues from previous page

- With respect to the problem with the mobile app security, we are still waiting for a response from Liftmaster.

Gate Break Tuesday 8-23-2033 at 7:54am

The gate bar was knocked off its mount on Tuesday 8-23 at 0754 by a Green City Waste & Recycle Solutions Inc dumpster pickup truck that tried to tail-gate in behind a bus. I remounted the gate at about 10am on Tuesday.

Maintenance

- Need to order more rock salt. Also Mark will bust up the existing rock salt prior to covering with the new load.
- Ken indicated the weeds need to be knocked down in the maintenance shed area.

Ken made a motion to hire Happy Grass to perform weed removal.

Jon seconded.

Motion approved.

- Ken will pick up the new patrol boat on Thursday.
- Mark will handle getting the bucket fixed on the Bobcat.

LTIA

- The Boat Parade next year will be held at 7:00pm.
- Currently getting bids for new cabinets and flooring.
- October 9th – Sunday dinner meeting – pulled pork.
- Adult Game Night – weekly - starts September 21st, 6:30 – 8:30pm.
- Fall Festival – Nov 5th – including Live Music.

Finance

No new updates.

Sewer Board

No new updates.

Dam

No new updates.

Water Testing

- See “This Week at Lake Tish” email sent 09/13 for full water testing report. Bottom line is that the lake is in great health.
- Highlights from the meeting:
 - Water is being tested every 2 weeks. Last inspection was last Friday Sept. 9th. Will continue to test every 2 weeks through next summer, starting in May through September 2023. We will not know if more chemical treatments are needed until next spring.
 - Positive findings overall. Planktonic algae bloom has subsided, water is a lot less green and clearer.
 - Very little Southern Naiad vegetation found.
 - Seeing grass carp in the 12”-16” range.
 - Planktonic algae bloom will result in record growth of fish this year.

LTPOA September continues from previous column

Old Business

- Resolution of ongoing issue in M-N cove regarding restoration of the community property area.
 - Silt fence is installed.
 - Property owner contracted Matt Holloran to clean out the last 100 feet from creek to the water front, then seed and straw the back portion. Jon has determined that the back portion is now completely overgrown with weeds and saplings and therefore does not need the seed and straw to be done.
 - There were two costs to this agreement: 1) the survey 2) the work that Matt Holloran performed to restore the community property. The Board and the Lot Owner would split the total cost of these two items. In accordance with this agreement the Board owes the Lot Owner a balance in order to finalize.

Steve made a motion to pay the balance to the Lot Owner.

Jon seconded.

Motion approved.

New Business

- George Goetz – K24 – Expressed concern regarding the condition of his next-door neighbor’s property - Fuller property (K25 & K26A). The Fuller property has been unkept for the last 2 to 3 months. The high grass draws mosquitoes and bugs. The Fullers own half of the circle drive which is also overgrown in grass and flowers which attracts deer. The neighbors on the other side of the Fuller’s property are trying to sell their house which is made more difficult due to the unkept condition of the Fuller property.
 - The Board will ask our lawyer to send a letter to the Fullers to indicate they need to cut the grass.
 - Steve will call Jefferson County to ask they drive by the property to see if there are any county violations that need to be addressed.
- Anglers Association
 - Current members: Mark Stubits, Peter Rola, and Brian Stephens.
 - Steve contacted John Schulte from Busch Wildlife Area to get information regarding use of electroshocking as an aid to identify our fish population. John indicated it would be 2 or 3 years before we could perform electrofishing. He did send forms and information. One recommendation was to get the daily fishing report online to collect data. Electrofishing is performed on a day, at one period of time. If the weather is unusually bad or unusually good on that day you could get a skewed reading. Therefore, having the data collected over a longer period of time via the daily fishing report would provide a better overall result.

continues in next column

continues on next page

- Dan Timmersman called Harrison Fishery to get a report of all fish stocked to the lake back to 2012. He has generated a spreadsheet to document this information. Dan talked to Frank Harrison the owner of the fishery. They held a discussion of options to improve the fish population. Dan indicated he is seeing a lot of small fish, mainly bass around the 12” to 13” range. These bass are competing with the other bass and not winning, therefore they are not growing any bigger. Mr. Harrison suggested walleye should be stocked in November. The walleye will feed upon the smaller bass which will help the fish population in the future. No stocking has been done (with exception of grass carp) for last four years.
- How can we resume regular stocking of the lake? Some lake residents have expressed interest in donating to this effort.
- Brian Stephens: He has been keeping a personal fishing log. In general, the largest fish being caught at Tishomingo has been approximately 12 inches. He supports the idea of an online daily fishing report. The best way to promote larger fish in the lake is to harvest the smaller fish. The fishing report will provide a way to understand how many fish are being harvested. In the past, we held fishing tournaments for adults and kids where any fish under 12” were held out for a fish fry, another way to harvest smaller fish from the lake.
- Goals
 - Increase the size of the fish in Tishomingo.
 - Define new plan for stocking and harvesting fish. Include a budget to support the plan – deadline by this coming spring if possible.

- Create plan to fund stocking the lake. The Board will donate \$1,000 to this effort. Aluminum can collection – this is currently the main source of funds. How can we generate more funds for this effort?
 - Dan Ewen – when is the last time the dam outflow has been checked? Last check was in 2020 and all was in good shape. An evaluation is performed every 3 years. Next check is June of 2023.
 - The next time the lake will be lowered will be in fall of 2024.
- Dredging
 - This is a multi-year project.
 - Continue to get bids.
 - Silt mapping of the lake is complete. Fifteen acres of silt needs to be removed.
 - Still need to resolve where to take the silt once it is removed from the lake.
 - Need Restrictions renewed prior to start of this project. Restriction renewal is very close to completion right now.

Steve asked for a Motion to adjourn the meeting.

Mark made a motion to adjourn.

Jon seconded

Motion passed.

Do not tell fish stories where the people know you; but particularly, don't tell them where they know the fish.

~~Mark Twain

Fall Festival

Sponsored by: LTIA

Saturday, November 5th

2-6pm

\$10 per person includes:

Dinner and Music by Oliver Johnson

Kids menu-12 and under \$2.00

Live Music-Bon Fire-Raffle

Wine Tasting & Cold Beer

Shop for the Holidays

Handcrafted Gifts and Baked Goods

Adult Game Night

Where: Lake Tishomingo Community House.

When: Weekly on Wednesdays beginning Sept 21, 2022 from 6:30 to 8:30 pm.

All Lake Tishomingo Adult Residents are welcome.

You will have options to play traditional games or learn a new game. We are open to suggestions. Plenty of tables so more than one game can be played depending on who shows up. Poker will be available.

Bring your own drink.

Also feel free to bring a game of your own if there is something you would like to play that may not be provided.

Come have fun and increase your neighborly connections and friendships.

Sponsored by The Lake Tishomingo Improvement Association.
