## LTPOA News

Steve Blaha, LTPOA President

So when did August become our rainy season? We have a pretty full lake considering it is August, and we have weathered several storms as well. Two of these storms caused many lake residents to be without electricity for 12–15 hours. An idea has been mentioned to Ameren engineering on a way to install a transfer switching station that would re-route the electricity when the normal feeder line has an outage. Don’t look for this to happen anytime soon, but it’s in the engineering stage. I know many of us have backup generators for when the power does go off. It is extremely important that safety is on your mind when you are hooking up your generator. #1 The gas engine puts off carbon monoxide, so it must be put in an area that will not allow exhaust to enter your living space. And #2, you cannot allow your generator to back-feed out onto the main power line. Please use a licensed electrician for your backup generator transfer switches. There are linemen working on these wires and the wires need to be unenergized from all known sources (your generator) so that the linemen are not electrocuted. Please be SAFE, and keep those working on the problem wires safe as well.

Our roads have been trimmed of the overhanging trees. This has created a very large pile of vegetation at the overflow parking area near the southside feeder creek. PLEASE, if you have your trees trimmed DO NOT add them to this pile. Please instruct your tree trimming company to take the debris with them. *continues in next column after Calendar*

Nov. 12	Sun.	5:30 pm	LTIA Dinner Meeting Thanksgiving

*LTPOA News continues from previous column*

CEG has completed the repairs on our roads for this year. Thanks for being patient while they worked in the extreme heat.

I mentioned our lake has been close to full pool lately, and it is weed-free too. Mr. Joe Day monitors the lake and is impressed with the results of treatment we did last year as well as the grass carp doing their job.

WE. Let me define that little word. *WE* includes the LTPOA Board, Security, and all of us lot owners. So, *WE* have been seeing an increased lack of respect for our community property and our hired Security staff. The LTPOA board has hired and backs this security company to enforce not only Lake Tishomingo’s rules, but also to let Jefferson County Sheriff’s department know when state laws are being broken. The LTPOA board has increased the number of hours that security is on the property and *WE* pay for that. Please be more respectful to each other as well as to the property *WE* all pay for.

Fall is just around the corner and with that comes an abundance of leaves that go straight to our ditches. Please keep your ditches and culverts clean and open so the fall rains can run freely to the lake and not overflow where it will cause erosion that leads to silt filling our lake. Clean culverts and ditches help keep our roads in good shape as well.

It’s not too early to start planning for projects that require low water levels, such as seawalls and dock repairs. Please go to our website and download a Building Application and get an early start on next year’s project. The siphon will be started in October of 2024.

### PONTOON BOAT TRAILERS

The LTPOA pontoon boat trailers are parked and locked in the Community House parking lot. Any homeowner can use one of these trailers to launch or remove a pontoon boat from the lake for a \$10 rental fee. Contact Butch Hopfer 636-274-3791 or John Hunnicutt 636-274-6126.

## BREAKING NEWS

The LTPOA Board is aware of the Waste Management letter that has been sent out to all that use trash pickup. The Board wants only one trash service truck coming into the lake. We are trying to negotiate with WM and will be looking into possible other options. We will try our best to keep you informed. Thanks for your patience.

## LTIA Notes

Kim Carey, LTIA President

Upcoming Events:

- Saturday, 9/9 - 5:30 Dinner meeting. We will be celebrating Grandparents Day. Everyone is invited to bring their grandchildren or great-grandchildren (or pictures if grands unable to attend). We will have hamburgers, hot dogs and ice cream. Please bring sides or toppings for the ice cream.
- Saturday, 10/14 - 5:30 Happy Hour with short meeting. Bring snacks to share and beverages. Some beverages will be available for purchase.
- Sunday, 11/12 - 5:30 Dinner meeting: Thanksgiving celebration. LTIA will provide the turkey.

## Sewer District News

Janet Hirsch

### Homeowners' Responsibilities

There have been times when some homeowners have had sewer backups in their houses or yards. There are several causes of backups, including foreign materials (like “flushable” wipes), circuit breakers tripping, pump failure, or tree roots in the line.

Our central sewer system is now twelve years old and each homeowner should be aware of homeowners' responsibilities to maintain their portion of the system. At each home, the homeowner is responsible for the gravity line exiting the house until it reaches the STEP tank. The sewer district responsibility begins at the STEP tank and continues to the treatment plant.

*continues in next column*

*Sewer District News continues from previous column*

Here are the major guidelines that each homeowner should follow. Homeowner must:

- Make sure no foreign material goes down the drain. Foreign material includes flushable wipes, Kleenex, paper towels, feminine products, food scraps, oil, grease, and paint. These materials will clog the filter and cause backup or overflow.
- Make sure the system has electrical power, even when the house is unoccupied. If rainwater seeps into your system, it could overflow.
- Call the sewer operator 636-257-3976 (or emergency number 888-970-1382 after hours) if the control panel alarm sounds or the alarm light is on. The operator is the expert on the system and will determine the cause of the alarm.
- Make sure only authorized district representatives open the STEP tank risers – the district will not be responsible if someone is injured or becomes ill after opening a lid. The homeowner will be responsible if the district equipment is tampered with or damaged.

These guidelines are based on Article V of the Sewer Use Ordinance No. 01-2010 and amendments available online at

<http://www.laketishomingo.com/pwsd13/forms.html>.

Article IX of the same ordinance makes it a misdemeanor to violate this ordinance and provides for fines and coverage of expenses to repair any damage.

# LTPOA Meeting Minutes

Lake Tishomingo Property Owners Association

## LTPOA Minutes June 13, 2023

Board Members present: Steve Blaha, Jon Riche, Mark Stubits, Ken Stojeba, Doug Leeker, Craig Jung, Shelby Reneski.

15 residents attended.

Steve called the meeting to order at 7:03 pm.

Pledge of Allegiance

Steve asked permission to dispense reading of the May 2023 minutes.

Shelby made a motion to approve.

Jon seconded.

Motion approved.

### Treasurer's Report

Shelby read the financial report for June 2023.

#### Cash Inflow for May

2020/2021 assessments	\$600.00
2022/2023 assessments	\$300.00
Gate cards	\$15.00
Interest	\$196.03
<b>Total Cash Inflow for May</b>	<b>\$1,111.03</b>

#### May 2023 Bills Paid

All In Construction – boulder placement & rock for lot	\$5825.00
Charter	\$ 89.99
Ameren	\$ 113.09
Gateway Lake Management – 12 lake inspections	\$5,400.00
Zumwalt- April – Sept cloud subscription	\$ 450.00
A&S Protection – 30 hours in April	\$1020.00
Red Oak Landscaping- 4/25 dam mowing	\$1,320.00
Ken Stojeba- labor and decals for the patrol boat	\$ 85.00
Happy Grass- mowing & road cleanup	\$1,020.00
<b>Total</b>	<b>\$15,323.08</b>

*continues in next column*

*continues from previous column*

<b>Checking Account Balance for May</b>	<b>\$349,482.62</b>
<b>Major Projects Fund 4/30/2023</b>	<b>\$165,128.44</b>
Interest	147.26
<b>Major Projects Fund 5/31/2023</b>	<b>\$165,275.70</b>

Steve asked for motion to approve June 2023 Treasury Report.

Doug made a motion to approve.

Jon seconded.

Motion approved.

### June 2023 Bills to Pay

Charter	\$89.99
Ameren	\$117.57
Wood Den- 3 new signs	\$1,257.52
Happy Grass- mowing	\$1,050.00
Nick Giacalone- pea gravel and sand	\$690.00
LTIA- Donation for repairs	\$3,300.00
Duff Powerwashing- power washing the fence	\$200.00
Rottler Pest Solutions- Term-Alert program for 6/23-5/24	\$300.00
Jon Riche- gates, posts and concrete	\$818.11
A&S Protection- May 129 hours	\$4,386.00
Red Oak Landscaping- mowing of the Dam 5/26	\$1,320.00
Ken Stojeba- patrol boat items	\$329.36
Wegmann Law- legal	\$25.00
Mickey's Portable Toilets- roof repair and 6 months rental	\$638.00
<b>Total</b>	<b>\$14,521.55</b>

Steve asked for approval to pay June 2023 Bills.

Ken made a motion to approve.

Doug seconded.

Motion approved.

### Building

- Alan Ricotta - M59–M63 – Plans to add a new culvert and to concrete an existing driveway. Also adding a patio.

*continues on next page*

Ken made a motion to approve the work to add a new culvert, to concrete the existing driveway, and addition of the patio.

Doug seconded.

Motion approved.

- Mark Haas – I14-I17 – Property is going up for sale. Asking for approval to add a dock when the new owner presents the application. Cannot approve a future dock request given the specifications for the new dock are unknown. The new owner should submit the dock request once they own the property and the approval process will be conducted at that time.
- Gary Reeves – 6576 S. Lakeshore Dr. – Paving a rock driveway with concrete. This request was electronically approved.
- Daniel Sloss – G45 & G46 – The resident previously submitted a request to set a pergola on their property that was constructed from a store-bought kit. There was no mention in this request to anchor the pergola to the ground. Therefore, the pergola was considered movable personal property and approved to be constructed. In fact, review of the result shows the resident built a framed, roofed carport/pavilion that is anchored into concrete piers in the ground. This action contradicts the original request that stated the pergola would not be attached to the property. Per Building Restrictions, once the pergola is anchored to the ground it is considered a permanent structure and therefore must be of stick-built construction. More research will be conducted to determine how these situations have been handled in the past. There is another similar structure on the lake that will be reviewed also.

### Security

- Talked to resident regarding excessive use of gate code. Code is no longer being used.
- Incident on June 24<sup>th</sup> or 25<sup>th</sup> – Rocks were thrown which generated damage (holes) in 10 or 12 mailboxes. Occurred around 10:30pm. Currently have not been able to determine who is responsible.

*continues in next column*

- June 28<sup>th</sup> at 2:00am – Cars trying to gain access to the lake, drove through Bob Roberts' and Joan Jaeger's yards to get inside the gate. Then the offenders opened the 'out' gate to let the other cars in. No damage to the gate. Minimal damage to the yards involved. Security used gate video to identify the drivers. The kids apologized profusely to Bob Roberts and went back to the property to clean up the mess. Jefferson County has been notified. Bob Roberts indicated he did not want to press charges.
- Ethan Schweiss launched jet skis on the lake. Incident occurred at night. Ethan's parents were not aware of his decision to ride the jet skis on the lake. The parents apologized for the incident. No further action will be taken provided future incidents do not occur.
- Memorial Day Weekend
  - The patrol boat was present on the lake for a significant amount of time over the weekend.
  - There were numerous violations of missing stickers on boats. Boat owners were notified that stickers are needed.
  - Stopped woman for running full throttle in the 'No Wake' zone plus no stickers on the boat. Woman exhibited belligerent behavior.
  - Sunday morning – unknown owners were attempting to launch a boat with no stickers into the lake. Both the boat trailer and truck pulling the boat did not have plates. The owners were asked to leave the lake and they did.
- We have not had a patrol boat for a year now. We are hoping that incidents on the lake will lessen as we all get accustomed to the patrol presence again. The diligence of the patrol staff over the Memorial Day weekend will help set the tone for the upcoming fourth of July weekend.
- Can we initiate fines for missing boat stickers? We would need to check with Bianca to determine if fines are allowed within Tishomingo restrictions. A fine process was considered fifteen years ago and was not adopted. *continues on next page*

- It was noted that there seems to be a lot of pontoons traveling down the middle of the lake during skiing hours, seemingly headed towards the dam. Aaron stated that when stopped the driver usually indicates that they are waiting to cross over to the other side of the lake.
- Obeying the rules of the water does not have to be construed as a negative thing. Try to retain a positive attitude when encouraging all to obey the rules of the lake. We all want to enjoy Lake Tishomingo safely.
- Bouncy House at the Community House
  - LTIA – try to discourage having a bouncy house
  - LTPOA and LTIA are not considered liable for any bouncy house incident given the bouncy house is not lake equipment.
- Installation of gate to Community House grass area
  - The gate was previously approved electronically.

Steve made a motion to have Happy Grass install the new gate for the Community House grass area at the typical rate (Mark will abstain from this vote)

Jon seconded.

Motion approved.

- Gates will be installed next week.
- Mark will get locks and give a set of keys to the LTIA. He will also move the rental trailers into the grassy area.

**Gate**

Access Code use May 2023		
Code assigned to	Monthly Usage	Avg daily
HOLLORAN111221, M	178	5.7
Reneski3, C	108	3.5
MarschuetzJr5, Ken	103	3.3
Stubits3, M	87	2.8
Droege, Ken	69	2.2
Schenk2, C	62	2.0

The most used entry code was issued to M. Holloran. That code was used 178 times for an average of 5.7 times per day in May. The MH code usage was less than 2 times per day in April. Next highest usage was by Reneski, 108 times for an average of 3.5 times per day.

*continues in next column*

**Maintenance**

- THANK YOU to Mark and Lori Brotcke! They have voluntarily performed a significant amount of maintenance on our beach area.
  - Weeded beach, spread pea gravel (third load still needs to be spread)
  - Bought new volleyball net, dug out volleyball court, added sand to court
- Canopy clean-up around the lake road will start possibly next week depending upon rain. The brush will be burned in the Community House area. It is estimated that it will take five days.

**LTIA**

- Boat Parade - Saturday July 1<sup>st</sup>
  - Check-In 6:45pm , Start 7:00pm
  - Judges are needed
  - Prizes
    - First place - \$100 plus choice of a) gate clicker for one year or b) one free rental of Community House and Pavilion
    - Second place - \$50 plus remaining option from first place prize
    - Third place - \$25

Steve made a motion to provide a gate clicker for one year as a prize for the boat parade.

Shelby seconded.

Motion approved.

Mark made a motion to donate the free Community House rental as a prize for the boat parade.

Craig seconded.

Motion approved.

- Community House Repairs
  - Chimney is getting fixed \$1,400.
  - Kitchen leak is being fixed \$3,300.
  - Mice are being removed and entry holes plugged \$400.
  - Pest control \$55/month ongoing.
  - Boat Poker – August 26<sup>th</sup> – One host dock is still needed.

*continues on next page*

**Finance**

No new updates.

**Sewer Board**

No new updates.

**Newsletter**

No new updates

**Dam**

- The dam passed inspection!
- Inspectors were very happy with the condition of the dam.
- We are good for the next three years.
- Minimal number of trees to be removed.

**Water Testing**

- Water conditions are great! Good clarity and low vegetation.
- Joe Day will perform water testing every two weeks throughout the summer.
- Fecal coliform levels will be checked.

**Old Business**

- Roads have been marked for repair – 15 areas need attention – will receive bid soon
- Wegmann Law firm – contract renewed
- Mike Steeno filed not-for-profit state of Missouri letter
- The lake will be lowered in October 2024
- Jon will be publishing the fish report in the near future

**New Business**

- A dead tree needs to be removed from the path in front of Mark Stubits house. Mark will ask the company that is performing the canopy removal for a price to remove the tree.
- Dredging
  - An area of fifteen acres by three feet of silt needs to be removed
  - Energy Resources is being considered as the company to use for the dredging

*continues in next column*

- There are other factors that need decisions
  - Lake to Land – would need to find and purchase or rent land to deposit the silt removal – the silt can be pumped up to a mile away – leaning towards pumping the silt to remove given the exorbitant cost of hauling out by truck
  - Lake to Lake - there would need to be approval from the Army Corp. of Engineers and the Department of Natural Resources for this option to be used
- Possible future plan would be to create a peninsula somewhere within the beach area that would capture the silt before it enters the lake. Then the silt could be removed more easily and in a more timely fashion. The design of this capture area and the process would need to meet the requirements of the Clean Water Act. Only clean water would be allowed to go back into the lake therefore water inspections would be needed. More research is needed to determine if this option is feasible.

Steve asked for a motion to adjourn the meeting.  
 Ken made a motion to adjourn.  
 Shelby seconded.  
 Motion passed.

\*~\*~\*

# LTPOA Meeting Minutes

Lake Tishomingo Property Owners Association

## LTPOA Minutes July 11, 2023

Board Members present:

Steve Blaha, Jon Riche, Mark Stubits, Ken Stojeba, Doug Leeker, Craig Jung, Shelby Reneski.  
7 residents attended.

Steve called the meeting to order at 7:04 pm.

Pledge of Allegiance

Steve asked permission to dispense reading of the June 2023 minutes.

Mark made a motion to approve.

Doug seconded.

Motion approved.

### Treasurer's Report

Shelby read the financial report for July 2023.

#### Cash Inflow for June

2022/2023 assessments	\$250.00
Gate cards	15.00
Interest	\$183.21
<b>Total Cash Inflow for June</b>	<b>\$448.21</b>

#### June 2023 Bills Paid

Charter	\$89.99
Ameren	\$117.57
Wood Den- 3 new signs	\$1,257.52
Happy Grass- mowing	\$1,050.00
Nick Giacalone- pea gravel and sand	\$690.00
LTIA- Donation for repairs	\$3,300.00
Duff Powerwashing- power washing the fence	\$200.00
Rottler Pest Solutions- Term-Alert program for 6/23-5/24	\$300.00
Jon Riche- gates, posts and concrete	\$818.11
A&S Protection- May 129 hours	\$4,386.00

Happy Grass-mowing and weed removal	\$1,665.00
Unlimited Tree & Outdoor Solutions- tree limbs trimmed	\$12,000.00
Aquatic Control- fish survey and advanced water quality	\$2,700.00
<b>Total</b>	<b>\$23,183.20</b>

Steve asked for approval to pay July 2023 bills.

Jon made a motion to approve.

Doug seconded.

Motion approved.

### Building

- Craig and Angie Jung – E10 & E11 – Build patio cover which spans from the far-right kitchen door (as viewed from the lake) to the second shed door on the right. Approximate measurement: 24ft by 22ft. This request was electronically approved.

*continues on next page*

**Security**

- Graduation celebration at the Community House was too loud after quiet hours. Participants vocally ignored warnings delivered by the security staff at 10:30pm, 11:00pm, and then again at midnight. Appeared to be underage drinking at the party.
  - Renters sign an agreement that states there will be no loud music after 10:00pm and there is no tolerance for underage drinking.
  - Defined security process to handle this situation.
    - Security will issue first warning.
    - Security will issue second warning to the party participants referencing the signed rental agreement indicating the rules and timeframes at the Community House. The participants will be notified that Jefferson County Sheriff will be notified if the warning is ignored.
  - If the loud music and/or inappropriate behavior persists, Lake Tishomingo Security will contact a Board Member who in turn will call the Jefferson County Sheriff's Department to report the issue.
  - Aaron was given a copy of the Community House Rental Agreement for review.
- Someone has used a pressure washer to deface the concrete area at the basketball court. Looking into who is responsible.

**Gate**

Access Code use June 2023		
Code assigned to	Monthly Usage	Avg daily
HOLLARAN111221, M	155	5.2

**Newsletter**

No new updates.

**Dam**

No new updates.

**Water Testing**

No new updates.

**Old Business**

- Fish Report
  - Anglers Association are using the Aquatic Control fish report along with input from an independent consultant to analyze next steps.

*continues on next page*

- Jon shared the report with Joe Day who agreed with the findings. Joe also suggested possibly spending money on building fish habitat rather than adding bait fish.
- Pete Rola also shared the report with another outside council that has worked in the field for years. The consultant offered to provide ongoing support at no charge. He indicated that fish weight and length need to be tracked to accurately determine what to do next. Pete volunteered to forward statistics on the consultant from fisherman willing to conduct this tracking.
- Have a certified scale available for the next fishing tournament to measure fish harvested.
- Possibly have more fishing tournaments next year to harvest more eligible fish.
- The report may have missed blue gill in the back of coves given the shocking was performed in deeper water.
- Do not need to stock more fish at this time.

- Road repair scheduled for July 25<sup>th</sup>, 26<sup>th</sup>, and 27<sup>th</sup>

**New Business**

Damage is present on the lake road due to work being performed on a culvert and rock driveway. Jon will talk to Earl at CEG Paving to determine the repairs needed and corresponding cost.

*concludes in next column*

Steve asked for a motion to adjourn the meeting.  
Mark made a motion to adjourn.  
Shelby seconded.  
Motion passed.
